Optional wipe out channel helps keep the booths free of crumbs and debris.

### POSTURE

Utilizing proper pitch helps ensure a comfortable sit for longer periods of time. We can customize the back and seats heights, as well as seat depth.

### DESIGN ELEMENT

Booths provide designers with a large canvas to create visual interest through fabric, vinyl, and many other design features.

### ROOM DIVIDER

Creates inviting comfort zones and makes more efficient use of space.

### COMFORT

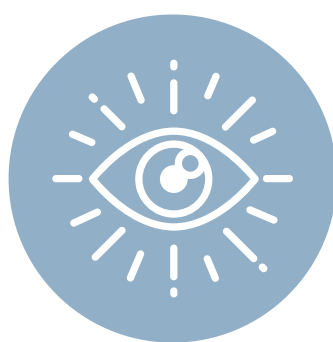

Thick, flexible urethane foam creates rounded seat edges eliminating pressure points and make it easier for seniors to maneuver in and out of the booth.

## Bonus Benefits

### ACOUSTIC BENEFITS

Upholstered booths offer acoustic benefits, reducing the noise level within a space improving communication between residents and staff.

### SENSE OF COMMUNITY

Booth seating is warm and inviting, creating spaces people want to spend time in together for extended time periods.

### EASY TO CLEAN
