

Tufgrain Chairs

THE BEAUTY AND WARMTH OF WOOD WITH THE DURABILITY OF METAL

LIGHTWEIGHT

Easier for residents to move. Many styles are stackable for storage and cleaning.

STRONG

The fully-welded extruded aluminum frame with reinforced, finished seams is the strongest construction available in the market today.

RESILIENT

The Tufgrain finish is chip resistant and withstands hospital grade cleaners.

STYLISH

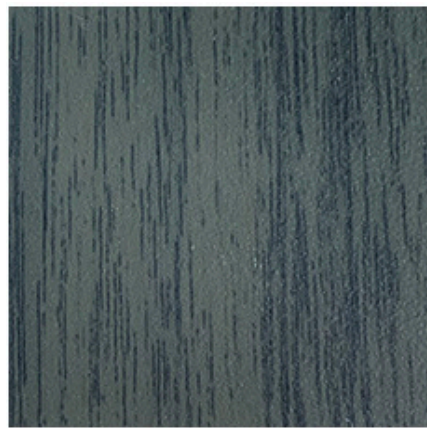

Designs from contemporary to traditional, Tufgrain will enhance any environment.

Perfect for High-Use Environments

Choose from a wide variety of upholstery and finish options.

AVAILABLE IN 8 CUSTOM WOOD GRAIN COLORS
