Beauty and Warmth of Wood.

Strength and Durability of Metal.

# Shelby Williams®

## Tufgrain Faux Wood Finish

- Lighter** Frames are lighter and easier to handle than steel or wood
- Stronger** Lasts longer and resist chips and dings better than wood
- Easier** Requires less upkeep than wood. Easy to clean and no joints to tighten
- Greener** Tufgrain is 99% recyclable and does not deplete natural resources

### Lifetime Warranty

7952-1      8316      8674-1      8754
