Located in the heart of Houston, Shelby Williams custom booths are featured throughout the newly opened Capitol Towers building, a Skanska Project designed by Michael Hsu Architects.

Capitol Tower reflects a shift towards a newer, younger, and greener Houston. A magnet for business, a catalyst for growth, and a source of tenant and civic pride.

Boasting LEED v4 Platinum certification, the building features 750,000 square feet of office space, a full-service restaurant and a 9,000 square foot culinary market with seven chef-driven concepts and a cocktail bar.
